

At Home Together Task 2: Clubs at School

Read the information card with your child.
Finish the task and give it to your teacher.

What is a Club?

A club is an extra activity we choose to do, and it is not during lesson time.

It can be led by staff from school or a specialist.

There are sports clubs, where we can have fun, learn new skills and even play matches.

There are also clubs for activities like arts & crafts, music, singing, dance, computers, gardening, language classes, and many other activities.

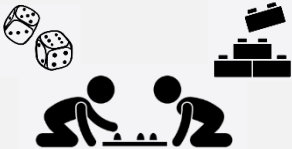

Some clubs can take place during lunchtime.

We then have to eat quickly so we have enough time to do the club activities before the bell rings again for our afternoon lessons to begin.

Some clubs are held after school.

Parents must know what time to pick students up when clubs are after school.

Here are some clubs at school.

			
Choir Singing	Arts + Crafts	Homework Club	Games + Lego
			
Dance	Sports	Computer Club	Gardening

This is a timetable for the clubs I have chosen.
